GPCS Tuition Assistance Program

GPCS provides some tuition assistance for mission-appropriate students based on demonstrated need. We use the services of FACTS Grant & Aid Assessment to determine financial need. Families applying for financial aid will need to complete an online application and submit the necessary supporting documentation and \$35 application fee to FACTS by April 30. To access FACTS, please visit our website (www.gpcs.net), click on the “PARENTS” menu at the top, then on “FACTS (Tuition) Login.”

Financial assistance decisions will be announced as soon as possible after the April 30 deadline. New families applying for enrollment to GPCS after the April 30 deadline may still apply for financial aid.

Tuition Commitment

The ministry of GPCS is made possible only by the shared sacrifice of families (in the form of tuition and gifts), of faculty and staff (in the form of significantly lower compensation), and by the gifts of those who appreciate the need for Christian education. While GPCS receives support from a number of area churches, we are not a church-sponsored school and do not have a host congregation to make up budget shortages. For this reason it is essential to the continued ministry of GPCS that families honor their tuition commitment as well as assist in fund-raising and gift-giving as they are able.

TUITION PAYMENT OPTIONS

Please choose your tuition payment plan below by June 1; payments are made online through FACTS:

- Early payment in full** by August 10 (receives 3% tuition discount)
- Two payments:** one-half due by August 10 and one-half due by January 10
- 12-month payment plan:** July 10 through June 10 (Registration fee is paid separately by June 1)

The Business Office will start the process of setting up a FACTS account for new families upon receipt of this agreement. Once we have initiated the account, the family will receive an email link from FACTS in order to complete the registration process. Please contact the GPCS Business Office (207-767-5123 x201) with any questions; we are happy to assist.

Paying your tuition through FACTS allows you to check on the status of your account, the schedule of payments, and view payments already made, as well as see a complete listing of all activity for your account. This is not a loan program, so no interest or finance charges are assessed. Visit FACTSmgt.com to learn more about the FACTS program.

LATE PAYMENTS & WITHDRAWAL

GPCS operates on a very lean budget, because it is committed to make the school as affordable as possible to Christian families. It is, therefore, important for families to make timely payments in order for the school to meet its own commitments to staff and vendors.

Late payments and outstanding balances will be handled in the following manner:

1. If there is unpaid tuition at the end of an academic quarter, the student(s) will not be allowed to attend the following academic quarter until the overdue balance is paid in full.
2. Tuition must be paid in full before graduating seniors can receive their diplomas.
3. Students will not be permitted to begin a new school year if a balance is showing for any previous school year.

Withdrawal: Students who leave the school for any reason will be charged tuition on a pro-rata basis.
