Extracurricular Probation

The grades of secondary students (grades 6-12) are checked at the end of the 5th and 9th weeks of each quarter. Students are placed on extracurricular probation if they have one or more grades below a 65 at those checkpoints. Students placed on probation are required to work out a plan with their teacher(s) to get their grades to 65 or higher. Students on extracurricular probation must still continue their commitment to extracurricular activities including athletic teams.

Grades for all students on extracurricular probation are rechecked every two weeks. If students have brought all their grades up to at least a 65, they will be taken off probation. If their grades fall below 65, they will be placed on the ineligibility list for the next two weeks.

Ineligibility List

Students who are placed on the ineligibility list may not participate in any extra-curricular activities including team practices and competitions. In order to regain eligibility, they must raise their grade to 65 or higher by the two-week recheck day. If any grade is below a 65 at this point, the students remain ineligible for two more weeks. Students who are ineligible at the second week of the quarter are not rechecked until the fifth week. Adjustments are made to this sequence to accommodate the Christmas recess.

Eligibility Calendar

The calendar below is used by the administration, coaches, and advisers to determine eligibility for middle and high school students' participation in all extracurricular activities during the school year.
