Extracurricular Probation

The grades of secondary students (grades 6-12) are checked at the end of the 3rd and 7th weeks of each quarter. Students are placed on extracurricular probation if they have one or more grades below a 65 at those checkpoints. Students placed on probation are required to work out a plan with their teacher(s) to get their grades to 65 or higher. Students on extracurricular probation must still continue their commitment to extracurricular activities including athletic teams.

Grades for all students on extracurricular probation are rechecked at every academic check listed below. If students have brought all their grades up to at least a 65, they will be taken off probation. If their grades fall below 65, they will be placed on the ineligibility list until the next check.

Ineligibility List

Students who are placed on the ineligibility list may not participate in any extra-curricular activities including team practices and competitions. In order to regain eligibility, they must raise their grade to 65 or higher by the next academic check day. If any grade is below a 65 at this point, the students remain ineligible until the following academic check.

Senior Privileges

All senior grades are monitored at every academic check (probation and eligibility). Any senior student who has one or more grades below a 70 for the grading quarter (or below a 70 for a cumulative average for the year) will have senior privileges suspended until the following academic check. If all grades are above the given standard at the next check, the suspension of privileges will be lifted. If grades are not improved past the indicated level, the suspension will remain in effect until the next academic check.

Eligibility Calendar

The calendar below is used by the administration, coaches, and advisers to determine eligibility for middle and high school students' participation in all extracurricular activities during the school year. Adjustments are made to this sequence to accommodate the Christmas recess and other breaks.
