GPCS affirms to its students traditional Christian teachings, moral and ethical values such as the value of all human life (including unborn babies), the restriction of sexual activity to within marriage only, that Christ is the only way to God. These values are expressed in the GPCS Core Values and Statement of Faith (on the website, <https://gpcs.net/about/what-we-believe/>), and in the *GPCS Family Handbook*. How comfortable is each parent (with whom the student lives) with your child being taught from this biblical worldview?
