GPCS Tuition Assistance Program

GPCS provides some tuition assistance for mission-appropriate students based on demonstrated need. We use the services of FACTS Grant & Aid Assessment to determine financial need. Families applying for financial aid will need to complete an online application and submit the necessary supporting documentation and \$35 application fee to FACTS by April 15. To access FACTS, please visit our website (www.gpcs.net), click on the Admissions tab, then on Tuition Assistance Program and click the link provided.

Financial assistance decisions will be announced in May. New families applying for enrollment to GPCS after the April 15 deadline may still apply for financial aid.

Tuition Commitment

The ministry of GPCS is made possible only by the shared sacrifice of families (in the form of tuition and gifts), of faculty and staff (in the form of significantly lower compensation), and by the gifts of those who support our mission. GPCS is not a church-sponsored school and does not have a host congregation to make up budget shortages. Tuition is by far our major source of income. For this reason it is essential to the continued ministry of GPCS that families honor their tuition commitment as well as assist in fund-raising and gift-giving as they are able. *Effective July 1, 2022, parents of enrolled students are responsible for tuition for the entire month in which the student is withdrawn, regardless of the day of the month the withdrawal occurs. This includes the months of July and August.*

NONDISCRIMINATION POLICY

Greater Portland Christian School is a distinctively Christian institution dedicated to biblical principles of fairness and equality (Proverbs 24:23; Acts 17:26; Galatians 3:28). Therefore, GPCS welcomes students of any sex, race, color, and national and ethnic origin, providing them all the rights, privileges, programs and activities generally accorded or made available to students in the school. It does not discriminate on the basis of sex, race, color, or national and ethnic origin in administration of its educational policies, admissions policies, tuition assistance programs, and athletic and other school-administered programs.
